

# Costume Update from Miss Valliant

As you can imagine, this show has A LOT of costumes involved, especially since many of you are in more than one group, and require more than one costume. We were able to rent a good number of costumes from Fort Couch Middle School in Upper St. Clair, and we've put together a bunch from what we have in the middle and high school prop rooms, but we need help from everyone to get all of the pieces together. Please read the following list carefully and pay special attention to your group or character below. If finding any of these items is a hardship for you, please let us know ASAP and we will work something out. Thanks for your hard work so far, and for your help in making you look amazing on stage!

## **GARMENT BAG. EVERYONE MUST PLEASE BRING IN THE FOLLOWING ITEMS ASAP.**

1. Large garment bag - big enough to fit two costumes.
2. Two hangers - one regular and one with clips.
  - I want to start putting your costumes into the bags.
  - Munchkins and Ozians have two costumes.
  - We have to keep everything together and not lose anything!!!!
  - Please bring the garment bags and hangers to school as soon as possible.
  - I will put name tags on the bags.
