

Thank you to all who auditioned for this year's North Hills Singers ensemble. There were so many great sounding voices, we wish we could take everyone! To create the most balanced mix of parts, this year's group is smaller than usual, so it didn't take long to fill up slots. If you are not on the list, do not think that means you in any way did anything wrong! Thank you to Mrs. Triscila and Mr. Hartwell for serving as judges to allow for the most fair scoring and placement as possible.

As mentioned at the beginning of the auditions on Tuesday, due to the lack of tenors and basses in attendance, the group includes a section of tenors who are usually soprano or alto that indicated they would be interested in singing lower notes. This section will not always sing a tenor line depending on the voicing of the song – there will be times that S-A-T will divide and just make 2 parts.

The following students should plan to attend rehearsal after school in the choir room on Tuesday, September 28 from 2:15-3:30PM.
