

North Hills High School Drama Club Newsletter

October & November, 2016

Thank You!

Thank you to everyone who sent a card for Mr. Richey's birthday. We received over 60 cards from past and present students & families! The kids enjoyed celebrating with him, and he was very appreciative of all the well wishes.

Ad Deadline Extended

The deadline for program ads for **The Bringham Review** has been extended to Friday, October 21. Program ads are one of our biggest fundraisers, as the Drama Club makes 100% profit on these ads. As of last Friday, we only had a few ads submitted. Please help us reach our goal!

Election Day Bake Sale Tuesday, November 8

As we are well aware, this year is a Presidential Election year. Our Bake Sale has the potential to make a very good profit due to increased traffic at the polls. We are asking that **each student donate two dozen baked goods**. We do not need doughnuts, as they are being donated by local businesses. Student donations can be brought in on Monday, November 7. There is no school this day, but there will be play rehearsal. If you want to bring them the morning of the sale, please drop them off at the Middle School gymnasium entrance.

If you have special items that you would like to package/label, you are more than welcome to do that; otherwise, the students will be responsible for packaging & pricing.

We're still in need of another parent volunteer for the following shift: 4:30 pm - 6:30 pm

If you can help, please email us at NHdramaparents@gmail.com. Thank you!

Host Home Needed for Cast Party

The Cast Party for **The Bringham Review** will be on Saturday, November 19, immediately following the show. Would you be willing to host the party in your home? The Drama Club will provide pizza and drinks. Please email NHdramaparents@gmail.com if you can help. Thank you!
