

EXCELLENTIA PER MUSICAM
MMXIV

Excellence through Music Scholarship

Seniors, it's time to start thinking about your application! New this year, audio and video essays will be accepted alongside the traditional written essay.

Do you have a favorite songwriter, composer or piece that has inspired you to strive for excellence? Why not illustrate what you've learned in a way that allows you to be at your creative best?

This year, you can incorporate audio and video references into your spoken-word or video essay of 3 ½ -- 5 minutes in length.

Thinking about excellent things is good for your brain *and* your heart. So tell us, show us and "wow" us!

The deadline for submissions is Friday, April 24, 2015

Go ahead and get started!
