

Pittsburgh CLO's Gene Kelly Awards

Saturday Evening, May 26, 2018, Benedum Center for the Performing Arts

This year, North Hills High School is participating in the annual Gene Kelly Awards, which honor excellence in local high school musicals. We are one of 29 schools participating, with awards given in more than 20 categories. We will find out on or around May 9 if North Hills receives any nominations. Each school nominated for "Best Musical" performs a number from its spring musical. If North Hills receives a nomination for Best Musical, the entire "Dames at Sea" cast will be required to attend, and we will organize bus transportation. The Drama Club will cover the cost for the cast to attend in that situation ONLY.

If North Hills is nominated in any other category — for example, last year we received nominations for Best Actor and Best Orchestra — the decision to attend is entirely up to each family. Regardless of nominations, many people enjoy attending these awards to see all the talented students from our area.

For those interested in going, we want to try to obtain the best seats possible. **We need to organize a ticket order NOW that considers every possible contingency, because the turnaround time between the nomination announcements and the official group order date for tickets is a single day.**

Please indicate the number of tickets your family wants to purchase under each scenario listed below. Please include a ticket for your cast, crew, or orchestra member(s). Please return one form per family.

ALL TICKET ORDER COMMITMENTS ARE DUE BY THURSDAY, MAY 3rd

Please email your order to NHDramaParents@gmail.com

PAYMENT FOR TICKETS IS DUE BY MONDAY, MAY 14th. Do not send payment now.

Completing and signing this form is a commitment to purchase the tickets.

Tickets are \$35 for adults & \$25 for students.
