CALLBACK AUDITIONS

The following students should report to the downstairs Chorus Room A011 on **Tuesday, October 21, 2025 from 3:00-5:00 pm** for a rehearsal, and plan to stay for both **Wednesday and Thursday, October 22 & 23 from 3:00-5:00 pm** for the Callback Auditions.
You may not need to come to both days: we will let you know on Tuesday.

DO NOT PANIC if your name is not on the list. These are only the people that we want to see something more from before creating the final cast list. Just because your name is not listed below DOES NOT mean you are excluded from the show. We may already have a place for you and don't need to see anything more! There are at least 25 more spaces in the cast in addition to the 35 listed below.
